6. . The contract/payment summary will appear in the next screen, outlining:

- Primary contract type and pro-rata payment and credit amount for the left-over portion of the previous contract.
- Secondary contract type and contracted fortnightly amount (if applicable)

Understanding “Your payment for today”:

- Pro-rata – The charge for the period between sign up date and first direct debit
- Partial credit for last payment – The amount left over from your 12-month term contract.
- Total – pro-rata minus partial credit/payment owing.

From now on, your contract will look like this		Your payment for today	
 Your club	Aqualink Nunawading Fraser Place	Aqualink Nunawading Direct Debit Adult Total	\$34.57
 Valid from	30/09/2024	Fitness f/n Prorata, 10 days	
 Contract type	Total Fitness Adult	Partial refund for last payment	-\$36.98
 Cost	\$48.40 / 14 days	Total	-\$2.41

In the example above the pro-rata minus the credit results in a negative number. This means that amount will be credited to your account for your first debit.
